### Federal Railroad Administration

[Docket Number FRA-2009-0120]

### Petition for Extension of Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that by letter dated April 8, 2022, CSX Transportation (CSX) petitioned the Federal Railroad Administration (FRA) for an extension of a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 236 (Rules, Standards, and Instructions Governing the Installation, Inspection, Maintenance, and Repair of Signal and Train Control Systems, Devices, and Appliances). The relevant FRA Docket Number is FRA-2009-0120.

Specifically, CSX requested an extension of relief from § 236.377, *Approach locking*; § 236.378, *Time locking*; § 236.379, *Route locking*; § 236.380, *Indication locking*; and § 236.281, *Traffic locking*, to extend the periodic testing schedules from “at least once every 2 years” to “at least once every 4 years” after initial testing has been performed. Additionally, CSX requested to extend relief from § 236.109, *Time releases, timing relays and timing devices*, to extend the periodic testing schedules from “at least once every 12 months” to “at least once every 4 years” for internal variable timers. The relief applies at interlocking control points and other signal locations controlled by solid-state microprocessor-based equipment.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at [www.regulations.gov](https://www.regulations.gov).

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing

in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted at <http://www.regulations.gov>. Follow the online instructions for submitting comments.

Communications received by **[INSERT DATE 45 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]** will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.

Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), the U.S. Department of Transportation (DOT) solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to [www.regulations.gov](http://www.regulations.gov), as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>.
